LEGISLATIVE BUSINESS.

MR. SPEAKER. (The Hon'ble Sri V. Venkatappa).—The Hon'ble Law Minister may move the motion for extension of time for the presentation of the Select Committees Reports.

The Mysore Civil Courts (Amendment) Bill, 1951.

The Hon'ble Sri K. T. BHASHYAM (Minister for Law and Labour).—I beg to move:

"That the time appointed for the presentation of the report of the Select Committee on the Mysore Civil Courts (Amendment) Bill, 1951, be extended and that the report be presented at the next Session of the Legislative Assembly."

The necessity for this extension of time which I am asking for arises because the High Court is making some proposals regarding the jurisdiction of the several Courts in the State and we have not yet received those proposals. Secondly, the Central Civil Procedure Code has been made applicable to the State of Mysore and we have to fall in line with the system of jurisdiction prevailing in other parts of India, in Madras and Bombay particularly, and we are gathering statistics about that. Thirdly, there is a clause in this Bill regarding the circumstances under which second appeals will lie. That is a matter which we in the Select Committee feel should be brought under the Civil Procedure Code rather than under the Civil Courts' Act. All these reasons have contributed to the delay in the consideration of this Bill and therefore we propose that after getting all the statistics and the proposals we will finalise and send the report of the Select Committee. That is why we want time.

MR. SPEAKER.—The question is:

"That the time appointed for the presentation of the report of the Select Committee on the Mysore Civil Courts (Amendment) Bill, 1951, be extended and that the report be presented at the next session of the Legislative Assembly."

The motion was adopted.

The Mysore Suits Valuation Bill, 1951.

The Hon'ble Sri K. T. BHASHYAM (Minister for Law and Labour).—I beg to move:

"That the time appointed for the presentation of the report of the Select Committee on the Mysore Suits Valuation Bill, 1951, be extended and that the report be presented at the next session of the Legislative Assembly."

This follows the previous motion, because the Civil Courts (Amendment) Bill and also the Suits Valuation (Amendment) Bill go together and therefore, as a consequence of the previous motion, the time appointed for the presentation of the report in respect of this Bill also has to be extended.

Janab SYED ABDUR RAHMAN (Chikmagalur *cum* Shimoga–Muslim).—When is the next Session likely to be held; before the general election or after?

The Hon'ble Sri K. T. BHASHYAM.—I cannot say, Sir.

MR. SPEAKER.—The question is:

"That the time appointed for the presentation of the report of the Select Committee on the Mysore Suits Valuation Bill, 1951, be extended and that the report be presented at the next Session of the Legislative Assembly."

The motion was adopted.

The City of Bangalore Municipal Corporation (Amendment) Bill, 1951.

The Hon'ble Sri R. CHENNIGARAMIAH (Minister for Local Self-Government).—Sir, with regard to the City of Bangalore Municipal Corporation
